COE achievements-1

- Planning:
  - 2 Year Tactical/Operational plan developed has been successfully implemented
  - Excellent faculty have been hired in the last two years
- Labs:
  - Most COE labs are being transformed to design centers and will meet the new EC2000 requirements
  - New Laboratories are been established/developed
    - Performance Engineering Lab
    - FPGA and Hardware Synthesis Lab
    - Senior Design Project Lab
  - COE Program revision is well-underway, incorporating new trends, technology and requirements
  - Preparation for self-assessment of COE program is complete

COE achievements-2

- Projects:
  - During the last semester, 21 Research Project proposals were submitted and over 90% of the faculty are currently involved in research and research projects.
- Industrial Relations:
  - CISCO academy contract signed and COE network lab will be enhanced to house CISCO equipment and offer CISCO courses
  - Schlumberger Smart-Card Proposal has been accepted and equipment awaited
- Editorial Boards and Technical Committees
  - Faculty of COE are serving as
    - editors of International Journals of high repute,
    - technical committee members of International Conferences.
