CSE 552 – Network Management
Fall 2004 (Term 041)

Assignment 2

Date: Monday, September 13, 2004

Research Paper Presentation

Starting date: Saturday, Sept. 25, 2004 (in class)

Every student will choose one or two related **recent** research papers in the area of network management from a renowned journal (e.g., ACM, IEEE, and the International Journal of Network Management).

Then, he will write 1-2 pages report and make a presentation to the class. The report must be submitted by email to the instructor one day before the presentation. The presentation should not exceed 15 minutes.

You should discuss with the instructor which paper(s) you will be working on before you start.

Late submission policy:

All assignments (e.g., report) submitted after the due date will have 10% of the assignment maximum grade subtracted for every late day. If the submission is one week late, the grade for the assignment will be 0. (e.g.; if you get a grade of 80% in one assignment submitted 2 days later than the due date, you'll only receive a grade of 60%)

Schedule for Paper Presentations

Note: **Please submit the report one day before your presentation**
