001 Writing Unit 4

Put the sentences in the correct order.

a) Sports can be classified into two main types: team sports and individual sports.
b) Team sports can include many people and can help people work together.
c) Individual sports are sports which involve one person playing against one other person, e.g. tennis or squash.
d) Team sports are sports which involve two or more people playing against another group of people, for example football or basketball.
e) They make people depend on their own ability.
f) Individual sports do not need a lot of people to play.

Give a title. Write the sentences as two paragraphs.
