AACEI, the Association for the Advancement of Cost Engineering International, is the largest organization serving cost management professionals across the globe with a strong membership base in 78 countries. AACE's main objective is "Promoting Planning & Management of Cost & Schedules".

Arabian Gulf Section of AACE is holding a one day symposium and luncheon on "Process Improvement in Project Management" at Gulf Meridien Hotel, Al-Khobar on 1st June 2008 from 8.30 am to 4 pm. The event is aimed at promoting Project Controls as the key function influencing project performance for clients and contractors.

This symposium will be a platform for sharing rich experiences of the region's leaders in the professional community and networking with the decision makers in project management arena.

The AACE's Global leadership from the head quarter in U S A will participate in this prestigious event through the President (2008 -09) and the International Marketing Committee Chairman. Many renowned professional personalities of the region will share their experiences during the event.

The Arabian Gulf Section Board will be honored to have your esteemed presence during this event and the luncheon.

Registration is free. However the seats are limited to only with confirmed registration. Please forward your name, title, organization, contact e-mail and phone number to [khosymp@aace-ags.org](mailto:khosymp@aace-ags.org) or by fax at +96638906547. Last day for registration is Tuesday 27 May 2008.
