

Publications

The following publications were partly generated from the sabbatical leave work. Additional journal publications are under preparation.

Bubshait, A.A. and Farooq, G. (1997) "Leadership for improving project quality" The 4th Middle East International Quality Conference, 28-30 April, Bahrain, pp 219-227

Al-Sinan, M. Bubshait, Abdulaziz A. and Payne, A.C. (1997) "TQM: Implementation difficulties for Saudi Contractors" The 1st International Conference on Construction Industry Development : "Building Future Together, National University of Singapore

Al-Sinan, M. Bubshait, Abdulaziz A. and Payne, A.C. (1997) "TQM Implementation in large company: A Case Study", The Fifth Arab Management Conference, Bradford

Farooq, G. . and Bubshait, A.A " Working practices of design professional in construction team" Journal of Professional Issue in Engineering, " American Society of Civil Engineers, (submitted)

Bubshait, A.A. and Al-Atiq, T. H "Quality Standards in Construction : A case study " Journal of Management in Engineering, American Society of Civil Engineers, (Accepted)

Other publications which have been produced during the sabbatical leave, but they are not related to the subject.

Bubshait A. A., Al-Said. F.A., Abolnour, M.M.(1998), "Design Fee Versus Design Deficiency" Journal of Architecture Engineering, American Society of Civil Engineers, Vol.4, No.2, PP44-46

Bubshait, A. A. and Tahir, B. (1998) "Effect of superplasticizers on the plastic shrinkage of silica fume concrete" (a short note) Building Research and Information, The International Journal of Research, Development and Demonstration, Vol 26 No.4 PP.239-240

Assaf, S. A., Bubshait, A. A., Atiyah, S. and Al-Shehri, M. "Project Overhead Costs in Saudi Arabia" Cost Engineering, Journal of

American Association of Cost Engineers (accepted)

Assaf, S. A., Bubshait, A. A., Atiyah, S. and Al-Shehri, M.

“Construction Company Overhead Costs in Saudi Arabia” Journal of Construction Engineering and Management, American Society of Civil Engineers (Submitted)

Bubshait , A. A., and Cunningham, M J. “COMPARISON OF DELAY ANALYSIS METHODOLOGIES: CASE STUDY” Journal of Construction Engineering and Management, American Society of Civil Engineers, Accepted

Bubshait , A. A., and Cunningham, M J. “Determining schedule impact: A working practice”” Journal of Practice Periodical in Construction and Structure, American Society of Civil Engineers, Accepted

Al-Abdul Wahab, H., Fatani, Al-Dhubeed I., Bubshait, A. A. and Nouredin (1998)
"Design and maintenance criteria for Saudi Bituminous Concrete mixes"
Buolding Environment, Oct. pp 1-9
