From: Dr Adnan Abdul-Aziz Gutub
Department Chairman and Student Instructor
Subject: Recommendation for Graduate Studies

Dear Sir/Madam,

Mr. Ahmad Showail is one of my best undergraduate students I taught in KFUPM (King Fahd University of Petroleum and Minerals). He had good performance in my courses of computer engineering even though he had been under high pressure of course work.

Mr. Showail is a very nice team worker with excellent communication and presentation skills. In our school all studies are conducted in English, which made his English language abilities in an outstanding condition.

The student has shown high motivation to have his graduate studies in your institution; I highly recommend approving his application.

If you need any further information, kindly do not hesitate to send to me.

Sincerely,

Adnan Gutub, PhD
