

Name of Faculty	Academic Rank	Date of Joining	Major Field of Interest	Area of Specialization	Tel. #	Mail Box	Email @ccse.kfupm.edu.sa
Mohammed, Sadiq Sait	Professor & Director, ITC	1987	Computer Engineering	VLSI Design Automation, High Level Synthesis, Hardware Languages, ASIC Design, Heuristics, and Iterative Algorithms.	2217/1280	673	Sadiq
Ibrahim, Muhammad K	Adjunct Professor (expected)	1999	Computer Engineering and Computer Science	Computer Arithmetic & Architecture, Crypto-System, DSP & Real Time Systems Design, Cognitive Information Systems.	4019	1367	Ibrahimm
Abd-El-Barr, Mostafa I.	Adjunct Professor (expected)	1993	Computer Science and Engineering	Fault Tolerant Design of Parallel & Distributed Systems, Computer Architecture and Parallel Processing, VLSI Design and Testing, Computer Networks Optimization, Multiple Valued Logic Systems Design.	4942	1579	Mostafa
Al-Mouhamed, M.	Professor	1983	Computer Engineering	Computer Architectures, Parallel Processing and Algorithms, Switching Networks, Robotics, and Computer Vision.	2934	787	Mayez
Amin, Alaaeldin A.	Assoc. Prof.	1988	Computer Engineering	VLSI Design and Testing. ASIC Memories and Logic, Low Power and Asynchronous Design.	2862	195	Amin
El-Maleh, A.	Asst. Prof.	1998	Computer Engineering	Synthesis, Testing and Verification of Digital Systems, VLSI Design, Design Automation, Computer Arithmetic, Image Processing and Compression.	2811	1063	Aimane
Al-Najjar, Atef J.	Asst. Prof.	1981	Computer Science and Engineering	Parallel, Distributed and Intelligent Computer and e-Education Systems, Multi Media.	4941	1727	Alnajjar
Elrabaa, M.	Asst. Prof.	2001	Computer Engineering	VLSI, Digital Digital Circuit Design, Mixed Analog-Digital Circuits.	4196	564	Elrabaa
Naseer, A. R.	Asst. Prof.	2001	Computer Engineering	FPGA based Synthesis, VLSI Design and Algorithms, Hardware Software Co-Design and Embedded Systems, Computer Architecture, Microcomputer System Design, Digital System Design, Computer Networking, Systems Software, Object Oriented Programing.	1389	1417	Arnaseer
Baroudi, Uthman	Asst. Prof.	2002	Electrical Engineering	Wireless Networking and Radio Resource Management.	4283	1350	Ubaroudi
Sqalli, M.	Asst. Prof.	2002	Computer Science and Engineering	Computer Networking, Network Management, Interoperability Testing, Artificial Intelligence, Constraint and Case Based Reasoning.	1725	1447	Sqalli
Gutub, Adnan Abdul-Aziz	Asst. Prof.	1995	Computer Engineering	Modeling, Simulating and Synthesizing VLSI Hardware for computer arithmetic operations.	1723	1291	Gutub
Mahmoud, Ashraf Sharif Hasan	Asst. Prof.	2002	Wireless Communication	Simulation/Modeling/Performanvce Evaluation of Wireless/Data Networks.	1724	1585	Ashraf

			and Data Networks				
Abu-Amara, Marwan	Asst. Prof.	2003	Computer Engineering	Networking, Wireless and Mobile Computing, Parallel and Distributed Systems, Fault-Tolerance and Reliability..	1632	1647	Marwan
Al-Kharobi, Talal	Asst. Prof.	1993	Computer Engineering	Information security, design automation, neural network.	2897	153	talal
Mudawar, Muhamed	Asst. Prof.	2004	Computer Science and Engineering	Processor Microarchitecture, Parallel Architectures and Interconnection Networks, Compilers.	4642	73	Mudawar
Sheltami, Tarek	Asst. Prof.	2004	Wireless Computer Network, Ad hoc and Sensor Networks	Network control architecture for packet switching networks, Wireless ad hoc and sensor networks, UMTS, Infrastructure-less wireless networks, Wireless communications, performance evaluation of communication networks, Wireless communication protocols, Network control/mobility management for wireless broadband networks	4768	89	Tarek
Bouharaoua, Abdul-Hafid	Asst. Prof.	2/2005	Parallel Computer Architecture Design	Computer Architecture and Digital Systems	2178	969	Abouh
Al-Yamani, Ahmad A. J	Asst. Prof.	7/2005	Computer Engineering	VLSI, Testing	3186	5065	alyamani

COE faculty members who left KFUPM at the end of Term 042:

Ibrahim, Muhammad K	Professor	1999	Computer Engineering and Computer Science	Computer Arithmetic & Architecture, Crypto-System, DSP & Real Time Systems Design, Cognitive Information Systems.	4019	1367	Ibrahimm
Khan, M. Farrukh	Asst. Prof.	1999	Computer Science & Engineering	Multimedia Networking, Network Security, Scalable Internetworking.	4098	1371	Mfk
Abdul Sattar , AbdulWaheed	Asst. Prof.	2001	Computer Networks	Performance Evaluation of Parallel and Distributed Systems.	1497	1405	Awaheed
Landolsi, Taha	Asst. Prof.	2003	Computer Engineering	Optical Networks, and Computing, MEMS Technology, Wireless Networks.	4872	1026	Landolsi
Al-Shareah, Saleh	Asst. Prof.	2002	Parallel and Distributive Computing	High Performance Computing, Parallel Architecture, Parallel Simulation, Network Performance and Analysis.	1726	92	Sal
