

Computer Allowance Committee

Faculty Annual Evaluation Form

Faculty Name SADIQ BIN SAIT MOHAMMAD
KFUPM ID 1990119
College COLLEGE OF COMPUTER SC. & ENG.
Department COMPUTER ENGINEERING
Designation PROFESSOR

I. Comprehensive Web Page

Personal Web page link:	<i>Please insure that all links are active and accessible for evaluation</i> <input type="text" value="http://www.ccse.kfupm.edu.sa/~sadiq/"/>
My Web Page contains the followings	<i>Check the appropriate box</i> <input checked="" type="checkbox"/> Academic Background <input checked="" type="checkbox"/> Research Activities/Publications <input checked="" type="checkbox"/> Consulting <input checked="" type="checkbox"/> Teaching Activities <input checked="" type="checkbox"/> Professional Internet Links <input checked="" type="checkbox"/> Other (specify) <input type="text" value="Admin work (which includes consulting work), previous"/>

II. Course(s) on the Web

Please provide the necessary information for up to two courses using the Web (e.g. WebCT, BlackBoard ...)

First Course:

Semester 031 <input checked="" type="checkbox"/>	Course No. <input type="text" value="COE 572"/>	Course Title <input type="text" value="CAD of Digital Systems"/>
This Course Web Site is	<i>Please insure that all links are active and accessible for evaluation</i> <input type="text" value="http://www.ccse.kfupm.edu.sa/~sadiq/COE_572_T031/"/>	
This Course Web Site contains the followings	<i>Check the appropriate box</i> <input checked="" type="checkbox"/> Online Syllabus <input checked="" type="checkbox"/> Online Course Notes/Lectures <input checked="" type="checkbox"/> Online <input checked="" type="checkbox"/> Online Assignments Solutions <input checked="" type="checkbox"/> Online Scores/Evaluation <input checked="" type="checkbox"/> Others (specify) <input type="text" value="Handouts, office hours, slides of all chapters in .pdf form"/>	

--	--

Second Course:

Semester 031 <input checked="" type="checkbox"/>	Course No. COE572	Course Title Same course as above but on WebCT
This Course Web Site is	<i>Please insure that all links are active and accessible for evaluation</i> <input type="text"/>	
This Course Web Site contains the followings	<i>Check the appropriate box</i> <input checked="" type="checkbox"/> Online Syllabus <input checked="" type="checkbox"/> Online Course Notes/Lectures <input checked="" type="checkbox"/> Online Assignments Solutions <input type="checkbox"/> Online Scores/Evaluation <input type="checkbox"/> Others (specify) <input type="text"/>	

If you did not teach in the last year, please explain the reasons:

Since I am a Department Chairman, I have been teaching only one course per year. I preferred to use my Website more than WebCT for the students as this enabled me to use regular emails instead of WebCT ID emails. Furtherm, Part-time graduate students prefer to use the web since in it is easier to access from outside of Dhahran, and they also prefer to receive their emails on their own email addresses instead of WebCT IDs.

III. Computer Applications in Teaching

Frequently used applications in teaching:

<input checked="" type="checkbox"/> E-mail Communication with Students
<input checked="" type="checkbox"/> Presentation Applications (e.g. PowerPoint)
<input checked="" type="checkbox"/> Technical/Content Applications (e.g. Matlab, SAS, PSPICE,...), others: Also extensively use Magic, OctTools, LaTeX

IV. Office/Administrative Work

Frequently used office applications in administrative work:

<input checked="" type="checkbox"/> E-mail	<input checked="" type="checkbox"/> Spread Sheet	<input checked="" type="checkbox"/> Word Processing	<input checked="" type="checkbox"/> Presentation	Others: <input type="text"/> MS Exchange Calendar, Fr
--	--	---	--	--

Please provide us with the important activities and tasks that you normally perform as a faculty member and how you are using office applications to accomplish these tasks

	Task	Describe use of computer to accomplish
ex.	Curriculum development	Communication with universities abroad, adding computer related content to the course
1.	Authoring Reports	Use MS word and LaTeX extensively to author a reports for the department (prepared tens of after business trips, and for special assignments)
2.	Preparing Presentations and Lectures	Prepared several presentations for Graduate Science Park, for Planning (Research plans, S Planning), Lecture notes, Conference/seminar
3.	Planning, Projects & Consulting	Work on STC project, PASP Science park project Planning assignments, and other projects, involving extensive use of office applications.
4.	Departmental and Committee Work	As a chairman I use only computers for all academic management, and involve email, ftp servers (for content sharing), outlook to schedule meetings/appointments

V. Problems / Suggestions

Please provide us with a list of problems related to computer use in teaching at KFUPM

Problems	
1.	At the CCSE we have less problems.
2.	Smart class rooms need more technical staff for maintenance and reduction of downtimes. This will encourage faculty to put more material on the servers and rely on them to be up and working for presentations during class hours.
Suggestions	
1.	Faculty must be encouraged and supported to purchase computers via research projects. This will enable them to replace old models more frequently, and thereby use current softwares effectively.
2.	WebCT and Blackboard cannot be forced onto students (and faculty). Some students prefer paper submissions and this must be respected. Faculty at CCSE who prefer to use the Web to make teaching effective must be encouraged to do

Date: **Note: Select:**

Save: to save your input for later modifications/additions (will not be forwarded to the department chairman/dean)

Submit: to forward your input to the department chairman/dean when finished.

Reset: to clear the form.
