

**CSE 550 – Computer Network Design
Spring 2007 (Term 062)**

Assignment 1
Saturday, February 17th, 2007

Question # 1: Biography (2 points)

Post an introduction about yourself (i.e., a brief bio) in WebCT by **Wednesday February 21st, 2007**. You may include your background and any related courses, projects, field experience, etc. you may have had.

Go to Discussions on WebCT, Click on “**Assignment 1 [Bio]**” topic. Then, click on “Compose Message”. You will get a new window. Type your name in the subject, and in the message part include your bio.

Question # 2: Computer Network Design Definition (4 points)

Write a summary including a definition of computer network design, and the areas/tasks under computer network design with an explanation of each one. Use two to three references for this assignment. Show your own understanding of the subject (not copy/paste), include any references used, and refer to them as needed. The length of your summary should be 200-300 words.

You need to submit a hard copy in class on **Saturday, February 24th, 2007, 5:00PM**.
Note: Late submissions are not acceptable.

Question # 3: WebCT Discussion (4 points)

- Post your summary (i.e., response of question 2) in WebCT on **Saturday February 24th, 2007**. In addition, post one question related to your summary that other students will respond to.

Go to Discussions on WebCT, Click on “**Assignment 1 [CND]**” topic. Then, click on “Compose Message”. You will get a new window. Type your name in the subject, and in the message part include your summary and question.

- Review the summaries and questions of your classmates and post your comments as appropriate. Respond to a minimum of three of your classmates by **Saturday March 3rd, 2007**. Your responses should be thorough to get the full grade.
