

**CSE 552 – Network Management  
Fall 2007 (Term 071)**

**Assignment 3**

Date: Monday, September 10<sup>th</sup>, 2007

**Research Paper Presentation**

**Due date: Tuesday, September 25<sup>th</sup>, 2007**

Each team of two students will choose two or three related **recent** research papers in the area of network management from a renowned journal or conference; e.g., Journal of Network and Systems Management, International Journal of Network Management, IEEE/ACM Transactions on Networking, other ACM & IEEE journals, IEEE Communications Magazine, IEEE Network Magazine, Computer Networks Magazine, Elsevier Computer Communications, or Conferences' proceedings (NOMS, IFIP/IEEE IM, DSOM, MMNS, IPOM, APNOMS, Manweek, INFOCOM). At least one paper should be from a journal of the year 2005 or after.

Then, each team will submit 1-2 pages summary report (11-12pt font size) of these papers and make a presentation to the class. The report must be submitted by email to the instructor on **Sunday, September 23<sup>rd</sup>, 2007**. The presentation should not exceed 16 minutes (8 minutes per student). In addition, 8 minutes will be allocated for Q&A.

You should discuss with the instructor which papers you will be working on before you start. You should send your choice of papers and of the presentation time to the instructor ASAP but no later than **Sunday, September 16<sup>th</sup>, 2007**. (The instructor will give priority on First Come First Served basis).

All the students attending the class will be requested to evaluate each speaker using the evaluation form provided in the last page.

**Note:** The course late submission policy will be applied for the reports. However, late submission of presentations is not acceptable.
