College of Computer Science & Engineering

COE 444 - Internetwork Design and Management
Fall 2006 (Term 061)

Project Guidelines for the Response to the RFP:

**"A Structured Data Network Design for the
Hospital of Health & Hope (H₃)"**

1 Schedule

The deadlines for different tasks are the following:

	Tasks	Due date (in class)	Grade's weight
1	Progress report (requirement analysis and logical design)	December 12 th , 2006	20%
2	Final report - RFP Response: Network Design Document.	January 14 th , 2007	40%
3	Presentation	January 14 th -16 th , 2007	20%
4	Peer evaluation	January 14 th -16 th , 2007	20%

The progress report (7 pages) should include:

- ☛ Introduction
- ☛ Schedule (Tasks, Duration, Due dates, Deliverable, Responsible)
- ☛ Description of accomplished work
- ☛ Description of unaccomplished work
- ☛ Any issues or problems encountered
- ☛ Conclusion

The final report should include the RFP response.

3 Late Submission Policy

All assignments (e.g., project reports) submitted after the due date will have 10% of the assignment maximum grade subtracted for every late day. If the submission is one week late, the grade for the assignment will be 0. (e.g.; if you get a grade of 80% in one assignment submitted 2 days later than the due date, you'll only receive a grade of 60%).
