

Hesham Muhammad Al-Salman

- Research Interests** Computer Networks, Wireless Communication Systems, Space-Time Coding, Image Transmission.
- Experience and Research**
- Dec 2003 – Till present EE Department KFUPM
Lecturer
- Taught several EE Laboratory courses.
 - Coordinated several EE Laboratory courses.
- Mar 1999 – Dec 2003 EE Department KFUPM
Graduate Assistance
- Taught several EE Laboratory courses.
- Sep 2001 – Dec 2003 EE Department KFUPM
Academic Counselor
- Served as a part time counselor in the Counseling and Advising Center.
- Summer 1998 JSTD Saudi Aramco
Electrical Engineering Trainee
- Worked on 9th Street and the Process Simulator Projects.
- Education**
- 1999–2003 KFUPM Dhahran
- Language of the Masters program: English.
 - MS degree in Electrical Engineering on June 2003.
 - Thesis entitled 'Application of Space-Time Trellis Codes for Image Transmission Over Wireless Channels'.
- 1994–1998 KFUPM Dhahran
- Language of the BS program: English.
 - BS in Electrical Engineering on December 30, 1998.
 - Graduated with Highest Honors.
 - Number of semesters completed with Honors 9 out of 9.
- 1991–1994 Jalajil Secondary School Jalajil, Riyadh Region
- Completed by the end of Spring 1994.
 - Grades Percentage 97.5%.
- Publications**
- Till Dec 2003
- Hesham M. Al-Salman and Saud A. Al-Semari, "Distance Properties of Space-Time Trellis Codes", *International Symposium of Wireless Systems and Networks (ISWSN'03)*, Dhahran, March 2003.
 - Hesham M. Al-Salman and Saud A. Al-Semari, "Multidimensional Distance Properties of Space-Time Trellis Codes", *Arabian Journal of Science and Engineering*, Accepted, 2003.

- Hesham M. Al-Salman and Saud A. Al-Semari, "Space-Time QPSK Trellis Codes With Unequal Error-Protection Properties", *European Wireless (EW'04)*, Accepted, Feb 2004.
- Hesham M. Al-Salman and Saud A. Al-Semari, "Design of Space-Time QPSK Trellis Codes With Unequal Error-Protection Properties", International Conference on Communications (ICCS 2004), Submitted, April 2004.

**Personal
Background**

Grew in Jalajil, a small town in Riyadh Region. Fluent in English and Arabic: reading, writing and speaking.
