Important Points to Remember

1. Home-work: The homework assignments are to be solved by the students. However, homework solution will not be collected. Instead, a quiz related to the homework problems is expected in the week following the homework assignment date. Homework solutions will be posted on the web on the link: <http://faculty.kfupm.edu.sa/ee/malek/courses.htm>.
2. Pre-Labs: Each student must submit the pre-lab. Assignment at the beginning of each lab. (no pre-labs for the first two experiments). No pre-lab will be accepted for an experiment that has already started.
3. Lab. Makeup: No lab. make-up will be allowed without an official excuse.
4. Attendance: According to the university regulations, any student that exceeds 20% of the scheduled class meeting without an official excuse will receive a grade of DN in the course.
5. Official excuses: All official excuses must be submitted to the instructor no later than one week of the date of the official excuse. The instructor may not accept a late excuse. Personal excuses will not be entertained.
