

Summer Training Registration (013)

The registration period for summer training (013) is February 4, 2002 to March 27, 2002. All eligible students are kindly requested to register as soon as possible **through Student Affairs**.

Summer Training Guidelines:

1. The summer training must be taken **at least one semester** before the student graduation.
2. The summer training must be taken **during the summer term**.
3. Earned at least a **major GPA of 2.0** and / or a **cumulative GPA of 2.0**.
4. Successfully completed **70 credit hours or more**.
5. Successfully completed all **EE 100** level and **EE 200** level courses.
6. Successfully completed or currently taken **ENGL 214**.
7. Must complete **at least four courses of EE 300** level courses
8. The student must submit a written technical report after completing his summer training (this will be in the beginning of the semester immediately following summer training).
9. Obtain an acceptable evaluation for summer training from the training facility to be sent to student affairs.

Note that if you drop ENGL 214 later in the semester, you must request dropping summer training.
