Students are expected to observe the following guidelines in order to excel in this course.

Attendance

Students should be in class on time. Latecomers are not welcome because they disturb the class. If a student is 5 minutes late he is automatically counted as absent.

- Students are required to attend all lectures
- Official excuses should be communicated to me within a week.
- University policies regarding unexcused absences will be applied.

Homework

- Homework on the material covered each week is collected on Wednesday of the following week.
- Each homework is treated as one assignment irrespective of the number of sections it involves
- Late assignments will not be accepted.
- A number of problems (usually 5) from each assignment is selected at random and graded.
- Each assignment is worth 10 points.
- To ensure a high grade the assignments should be handed in complete and correct.

Exams and Grades

- There will be 3 mid term exams and a final in this course.
- A student may skip any of the 3 majors or may choose not to hand in the answer paper after attending the exam. In either case the class work will be calculated out of 2 majors
- The final exam is comprehensive.
- The total grade in this course will be based on the above 4 exams and the homework as follows:
  - 3 mid term exams   60%
  - Final exam   35%
  - Homework   5%
  - Total   100%
- There are no quizzes in this course.
