Remarks & Policies

Homework:

- Your course instructor will indicate the Homework every week. **He may assign you Homework out of textbook as well.**
- In Sec. 8.4, problems 1, 5 and 9 refer to the same matrix. The same is true for problems 2 and 6 and problems 4 and 8.
- **Review Material:** In the introduction of each section of the textbook, *review material*, if any, is indicated. **The students must review the material carefully.** They should make a plan, based on the Syllabus, for all the reviews required for the course.

Exams:

- The following dates for Major Exams I and II are set by the College of Sciences to avoid conflicts with other exams:
 - Exam I (88 points): **Thursday, March 24th, 2011**
 - Exam II (88 points): **Monday, April 25th, 2011**
- The date, time and the place of the Final Exam will be announced by the Registrar.
- The Final Exam (144 points) is Comprehensive.
- Any student **missing a major exam** with or without excuse **will not be given a Make-Up Exam.**

However, a student missing an Exam with an official excuse from the “Deanship of Students Affairs” will be compensated according to the following policy.

Exam Missed by the Student: Grade to be compensated = ExM , Ave of Exam: $AveM$

Exam taken by Student: Grade obtained = ExT , Ave of Exam: $AveT$

Final Exam: Grade obtained = ExT Ave of Exam: $AveF$

$$ExM = AveM + [11(ExT - AveT) + 18(ExT - AveF)] / 29$$

Class Work (80 Points):

The policy on the class work will be determined by your course instructor and will be announced during the first week of the semester.

Attendance:

- Attendance is compulsory. KFUPM policy with respect to attendance will be strictly enforced.
- Any student accumulating **9 unexcused absences** will be awarded DN Grade in the course.
