

TEACHING & ADVISING

Teaching

- ❖ During my work as a lecturer (1986-1989) I taught the laboratory sessions of the following courses: (ME 405 = **ME 309**) and (ME 424 = **ME 482**).

- ❖ Since 1995 up to date I taught the following courses:
 - **ME201**: Dynamics (942, 002, 052),
 - **ME309**: Mechanics of Machines (951, 952, 961, 962, 981, 982, 991, 001, 002, 011, 012, 021,022,051,061, 062),
 - **ME351**: Cooperative Program ...as an advisor,
 - **ME413**: Systems Dynamic & Control (962, 971, 972, 981,991,012, 071),
 - **ME411** & ME-412: Senior Design Project ... as an advisor,
 - **ME415**: Senior Project ... as an advisor,
 - **ME482**: Mechanical Vibration (971, 021),
 - **ME484**: Acoustics (972, 992, 071),
 - **ME541**: Continuum Mechanics (992),
 - **ME553**: Advanced Vibrations (072),
 - **ME562**: Vibration Measurement & Analysis (982),
 - **ME610**: Master Thesis.

Theses

- ❖ The major advisor of three Master Theses (1996-up to date).
- ❖ The co-advisor of one Master Thesis (1999).
- ❖ A committee member of six Master Theses (1995-up to date).

Coordination

- ❖ The coordinator for the following courses:
 - (1) ME-309 (Spring semester 1995, Fall semester 1999, Fall semester 2002, Spring 2003, Fall 2004).
 - (2) ME-413 (Fall semester 1996, Fall semester 1998, Fall semester 2007-2008).
- ❖ The Graduate Coordinator of the Mechanical Engineering Department (1998-2003).
- ❖ The Group Coordinator of the ME Control, Dynamics & Control Group (2002-2003).
- ❖ The Coordinator of the ME Lab Affairs (2003-2004).
- ❖ The Coordinator of the ME Summer Training Program (2004-to date).
- ❖ The Coordinator of the Non-Destructive Evaluation (NDE) Technology Focus Group (2006- to date).
