

## **EDUCATION & EXPERIENCE**

### **Education**

- ❖ B.S. in Civil Engineering , College of Engineering Science, King Fahd University of Petroleum & Minerals, Dhahran, Saudi Arabia, (1982).
- ❖ M.S. in Mechanical Engineering, specialized in Dynamics & Vibration, King Fahd University of Petroleum & Minerals, Dhahran, Saudi Arabia, (1986).
- ❖ Ph.D. in Mechanical Engineering, specialized in Computational Mechanics and Wave Propagation in Solids, University of Colorado, Boulder, USA, (1995).

### **Professional Experience**

- ❖ Graduate assistant in the Mechanical Engineering Department at King Fahd University of Petroleum & Minerals, (1982-1986).
- ❖ Lecturer in the Mechanical Engineering Department at King Fahd University of Petroleum & Minerals, (1986-1989).
- ❖ Assistant Professor in the Mechanical Engineering Department at King Fahd University of Petroleum & Minerals, (1995-date).
