

EXTRA ACTIVITIES

Short Course Coordination:

- Short term course Alternate Fuels and Energy Management 8-12 July 1996.
Sponsored by AICTE and conducted by Department of Mechanical Engineering, Osmania University and Department of Mechanical Engineering Chaitanya Bharathi Institute of Technology, Hyderabad.
- International Workshop on Advance Methods in Operations Research Conducted by Birla Science Centre, Hyderabad.
- Workshop on VLSI and Signal Processing 8-10 May, 2001 conducted by Department of Electronics and Communication Engineering, Hyderabad.
- Workshop on Simulation Program with Integrated Circuit Emphasis (SPICE) 2-4 January, 2002. Conducted by Department of Electronics and Communication Engineering, Hyderabad.
- Coordinator, National Workshop on Mechatronics Systems Design
Department of Mechanical Engineering, Muffakham Jah College of Engineering & Technology, Hyderabad, from 20-22 February, 2002.

Other Activities:

- Sub-Editor "CLARION" a News Letter of the Department of Mechanical Engineering, M.J.C.E.T., Hyderabad, 2000-2002.
- Member of Departmental Committee, MJCET, Hyderabad for Accreditation of Institute of Engineers, India, 2001-2002.

- Handled more than 15 Industry Sponsored Projects for final year students of Mechanical Engineering and Production Engineering as part of Industry – Institution interaction.
- Developed CAD/CAM Laboratory at M.J.C.E.T., Hyderabad.
