2. Al-Haboubi, M., and Selim, S., 1993. A sequencing problem in the weaving industry, *European Journal of Operational Research*, Vol. 66, No. 1, 65-61.
3. Al-Haboubi, M., and Selim, S., 1997. A design to minimize congestion around the Ka'aba, *Computers and Industrial Engineering*, Vol.32, No.2, 419-428.
4. Al-Haboubi, M. 1999. Optimizing Modal Split during Pilgrims' Movement from Arafat to Muzdallifa (Ifadhha) . *Arabian Journal for Science and Engineering*, Vol.24, No. 1B,95-102
5. Al-Haboubi, M. 2003. A new layout design for the Jamarat area(stonning the devil) during Hajj, *Arabian Journal for Science and Engineering*, Vol. 28, NO. 2B, 131-142
6. Al-Haboubi, M., 1989. Determination of percentage distribution of various modes of transportation during 'Rush Hours' at Al-Hajj period, proceedings of Al-Hajj Transportation Symposium, Makka, 145-159 (In Arabic).
7. Al-Haboubi, M., 1990. Towards finding the optimum number of police cars and ambulances during Al-Hajj period, proceedings of Transportation Safety in Al-Hajj Symposium, Makka, 21-30 (in Arabic).
8. Al-Haboubi, M. 1994. A heuristic approach for scheduling multi-products on multi-machines in the Weaving Industry Proceedings of the 16th International Conference on Computers and Industrial Engineering, Japan, 376-378.
9. Al-Haboubi, M. and Selim, S. 1997. Modeling the Flow of Pilgrims around Ka'aba (TAWAF). Proceeding of the 15th Computer National Conference, Dhahran, Saudi Arabia,521-534
10. Al-Haboubi, M. and Shublaq,E.2004. Simulation to perform Umrah, Proceedings of Fourth Symposium of Hajj Research, Makkah, Saudi arabia, CD-Rom
11. Al-Haboubi. M. and Duffuaa,S. 2004 Cost-time trade off for projects with nonlinear cost functions, Proceedings of the International Industrial Engineering Conference, Tehran,Iran,Second Volume,224-233
12. Selim, S. and Al-Haboubi,M. 2004. Workers assignment under noisy conditions, proceedings of the 17th European Conference on Combinatorial Optimization,Beirut,Lebanon
13. Al-Haboubi,M. 2005. A new Layout design for the Jamarat area.Proceedings of the Fifth Sceintific Symposium For Hajj Research,Makkah,Saudi arabia

14. Training and Implementation of Total Quality Management at HADEED RI Project # 25055, 1991/1992 (Co-investigator).
15. Computer Simulation using SLAM II to SAUDI ARAMCO, RI Project # 25060, 1993 (Principal Investigator).
16. Computer Simulation using SLAM II to SAUDI ARAMCO (Second Project), RI Project # 25060, 1994 (Principal Investigator).
17. Audit of the Production System for Productivity Improvement at Al-Ghamdi Wood Industries, RI project # 96701/SQ6496,1997 (Principal Investigator).
18. Skills in Measuring and Reducing Industrial Costs to the Industrial Bank Of Kuwait, RI Project # CEMS 4903,2000. In Arabic(Principle investigator)
19. Community Service-AAFAQ project, RI project # REC02257, Ministry of Higher Education, 2006. (Co-investigator)
20. Analog Computers, SE department, KFUPM, 1979.
21. IBM-PC Based Trainer Simulation of a distillation column – Saudi Aramco, Dhahran, 1987.
22. Economic Analysis for the catalyst used in Yanbu Petromin Refinery Reactors, Yanbu, 1988.
23. A Heuristic Approach for Scheduling Multi-Products on Multi-Machines in the Weaving Industry, Chiyoda Corp., Japan 1989.
