

Research related to Industrial Noise

1. Al-Haboubi, M. and Selim S. 2000. Noise change as an indicator of maintenance requirement. Journal of Quality Maintenance Engineering ,Vol. 6, No. 1, 20-27
2. Selim, S. and Al-Haboubi, M. Workers assignment under noisy condition.(in progress)
3. Selim, S. and Al-Haboubi, M Machine location problem in noisy plants(in progress)
4. Environmental Monitoring for Seismic and Exploratory Drilling Operations , RI project # CEW2340, , EinRepSa Gas Limited, Rub Al-Khali Desert, 2006 (Task leader for the noise part).
5. Environmental Baseline Study: Manifa Central Processing facilities, RI project # CEW2341, SAFCON, : Manifa , 2007. (Task leader for the noise part)
6. Environmental Monitoring for Exploratory Drilling , , RI project # 23301, LUKSAR, Rub Al-Khali Desert 2008 . (Task leader for the noise part)
7. Baseline Environmental Study for Rabigh Conversion Industrial Park Development Project.,RI project # CEW 2364 ,Rabigh, Saudi Aramco , Rabigh, 2009. (Task leader for the noise part)
8. Environmental Monitoring for Exploratory Drilling Operations in SSG Contract Area, Office Noise Measurements, RI project # CEW 2348, SSG ,Al-Khubar, 2009. (Task leader for the noise part)
9. Measurements and analysis of noise in Al-Zamil Steel factory (Senior Project)
10. Measurements and analysis of noise at KFUPM AC unit
11. Measurements and analysis of noise at KFUPM Press
