

Final Exercise – Include this in your portfolio:

Summarise what you think are the main issues based on what you have learnt in this course.

1. The important points were raised regarding the Media Literacy? What are the main issues?
2. What parts of the Media do you think work well?
3. What parts of the Media do you think should work better or needs improvement?
4. Did you find anything difficult to understand?
5. What do you think is the most important aspect of the Media Literacy?

Comment on a person who you thought answered and discussed the issues you learnt about particularly well. Why?
