Remarks & Policies

Homework:

- The selective homework indicate the levels of the breadth and the depth of coverage. Your course instructor will indicate the Homework every week. **He may assign you Homework out of textbook as well.** To acquire proficiency on solution methods, the students are strongly urged to other problems from the relevant exercise.
- In Sec. 8.4, problems 1, 5 and 9 refer to the same matrix. The same is true for problems 2 and 6 and problems 4 and 8. The matrix e^{At} is to be computed by the definition given in (3). The material on **Laplace Transform** in page 362 is, of course, **omitted**.

Review Material: In the introduction of each section of the textbook, *review material*, if any, is indicated. **The students must review the material carefully.** They should make a plan, based on the Syllabus, for all the reviews required for the course.

Exams:

- The following dates for Major Exams I and II are set by the College of Sciences to avoid conflicts with other exams:
 - Exam I (88 points): **Tuesday, November 2nd**, 2010
 - Exam II (88 points):
- The date, time and the place of the Final Exam will be announced by the Registrar.
- The Final Exam (144 points) is Comprehensive.
- Any student **missing a major exam** with or without excuse **will not be given a Make-Up Exam.**

However, a student missing an Exam with an official excuse from the “Deanship of Students Affairs” will be compensated according to the following policy.

Exam Missed by the Student: Grade to be comensated:= ExM, Ave of Exam: AveM

Exam taken by Student: Grade obtained = ExT, Ave of Exam: Ave T

Final Exam: Grade obtained:= ExT Ave of Exam: Ave F

$$\text{ExM} = \text{AveM} + [11(\text{ExT}-\text{AveT})+18(\text{ExT}-\text{AveF})]/29$$

Class Work (80 Points):

The policy on the class work will be determined by your course instructor and will be announced during first week of the semester.

Attendance:

- Attendance is compulsory. KFUPM policy with respect to attendance will be strictly enforced.
- Any student accumulating **9 unexcused absences** will be awarded DN Grade in the course.

*****Best Wishes for a Pleasant Semester*****
