Membership in Promotion Committees

No.	Date	Promotion Rank	Institution
1.	June 2006	Associate Professor	KAU
2.	June 2005	Professor	Umm Al-Qura University
3.	Nov. 2004	Assoc. Professor	College of Technological Studies in the State of Kuwait.
4.	Oct. 2003	Assoc. Prof.	Umm Al-Qura University
5.	Nov. 2003	Assoc. Prof.	Women College, Riyadh.
6.	Mar – Jun 04	Professor	College of Sciences, KFUPM
7.	Oct, 2003	Assoc. Professor	College of Sciences, Umm-Al-Qura, University.
8.	Dec. 2002 – May 2003	Research Scientist III	Research Institute, KFUPM
9.		Research Scientist II	Research Institute, KFUPM
10	Nov. 2000- May 2001	Scientist I	Research Institute, KFUPM
11	Oct. 2000	Scientist I	Research Institute, KFUPM
12	October, 1997	Associate Professor	Physics Department, KFUPM.
13	1993/94	Associate Research Professor	King Abdulaziz Center for Science and Technology.
14	Feb. 08,1993	Research Scientist-I	Research Institute, KFUPM.

15	Nov. 1992	Research Scientist-I	Research Institute, KFUPM.
16	1990/91	Researcher	Research Institute, KFUPM.
17	1990/91	Engineer	Research Institute, KFUPM.
18	1990/91	Associate Professor	Mathematical Department, KFUPM.

Examining M.Sc. & Ph.D. Students

No.	Date	Institution	Thesis Title
1.	April 2005	Women College, Jeddah	Elemental Analysis of Water and Soil Samples in Tabuk Area by Neutron Capture Gamma Ray Spectroscopy.
2.	May 2004	Women College, Riyadh	Measurements of Natural Radioactivities of Some Kinds of Marble and Granites used in Riyadh.
3.	October 2002	Physics Department, King Saud, Riyad	Measurements of Radon Concentration in Students Residential Buildings at KSU Using Nuclear Track Detectors.
4.	July, 1995	Physics Department, King Saud, Riyadh	Experimental Determination of the Accuracy of Equivalent Field Method for Dose Calculation.
5.	1992	Nuclear Engineering Deptartment, King Abdulaziz, Jeddah	Analysis of Radon Assay under Different Simulated Environments.

6.	1991	Nuclear Engineering	Evaluation of Local Materials for
		Deptartment,	Neutron and Gamma Shielding.
		King Abdulaziz,	
		Jeddah	
7.	1985	Physics Department,	Background Radiation Survey in
		King Saud, Riyadh	Riyadh and Kharj area using
			Thermoluminescent Detectors.
