

Format for 002 Mid-Term Listening Exam

Level 002 students cover seven themes for the Mid-Term Listening Exam. They are Skills in English Level Two, themes six to ten and Skills in English Level Three, themes one and two. Each theme carries an equal load in terms of effort and time. The exam consists of thirty questions and is divided into two parts.

Part One This consists of four short lectures with four or five questions for each lecture. Before each lecture, there is a break of ten seconds per question to allow students to read the questions before each lecture is heard.

Part Two This consists of one long lecture and 12 questions. Students answer questions as they listen. There is enough spoken material between each question to give students ample time to respond.

All questions are multiple choice to be answered directly on the OMR. Each question has one correct answer and three distractors.
