

* **Power**
Generators

By: Abdulaziz Al-Harthi

How do they
work?

How are they
manufactured?

*Power Generators

*Power Generator

*A device converting some form of energy into an electric energy.

*Forms of energy:

*Mechanical energy.

*Chemical energy.

*Heat.

*Power generators are often called Electric generators.

*Power Generator Term

Galvanic Cells

<http://goo.gl/qKqop>

*Power Generator Term

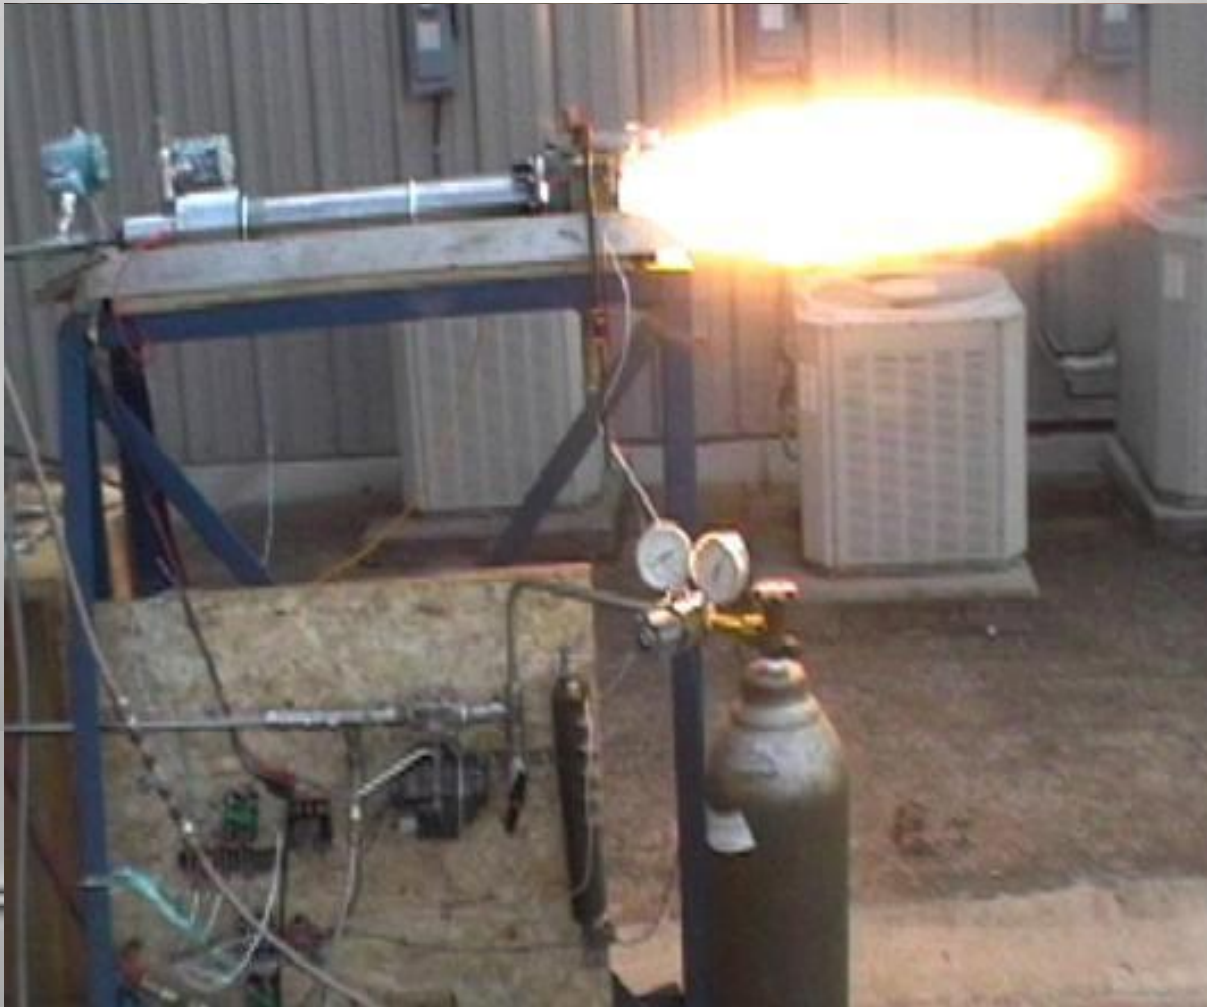

Electrochemical Generators

<http://goo.gl/RyjBb>

*Power Generator Term

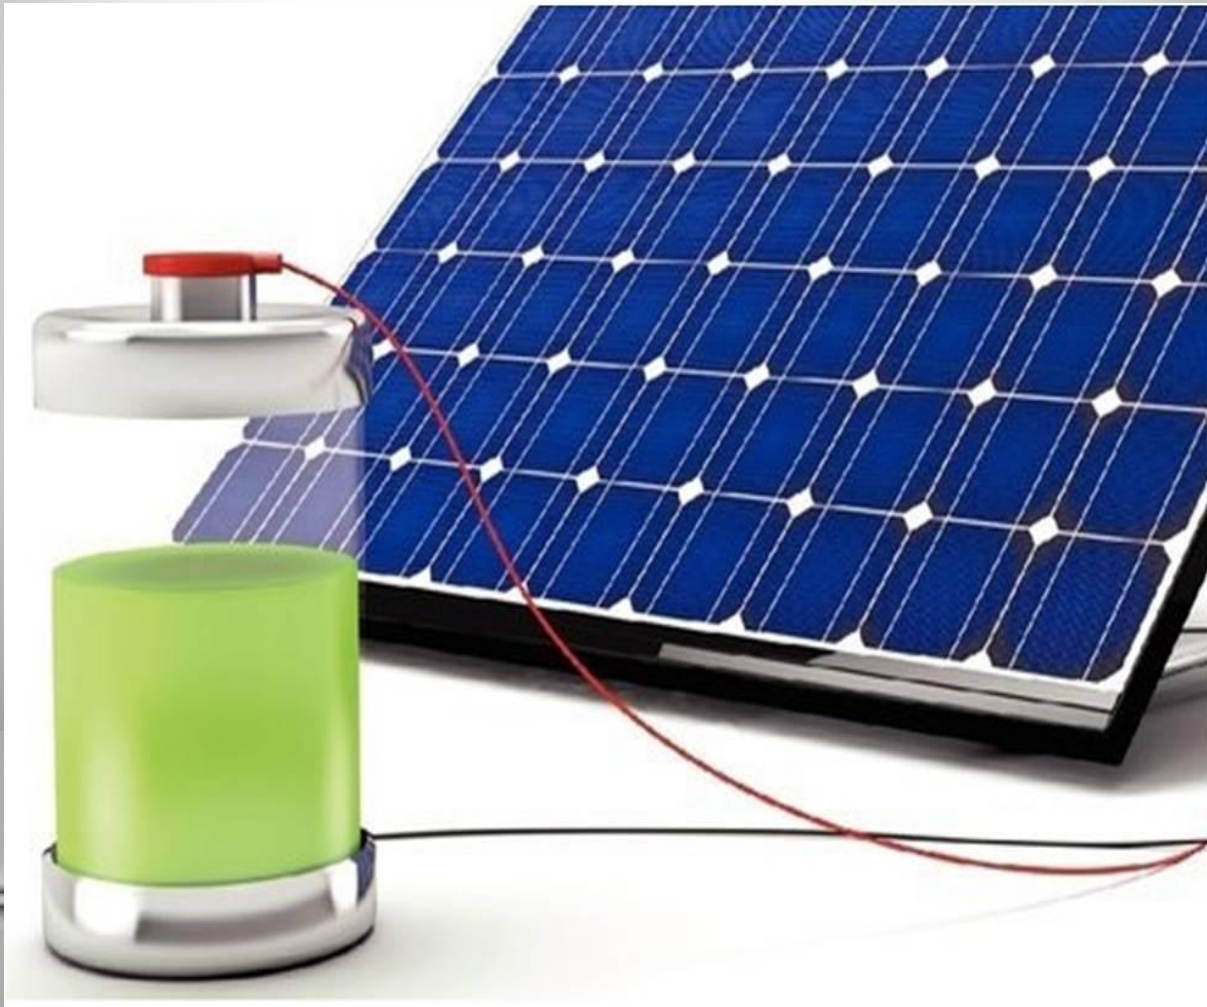

MagneToHydroDynamic Generators

<http://goo.gl/Ol9kR>

*Power Generator Term

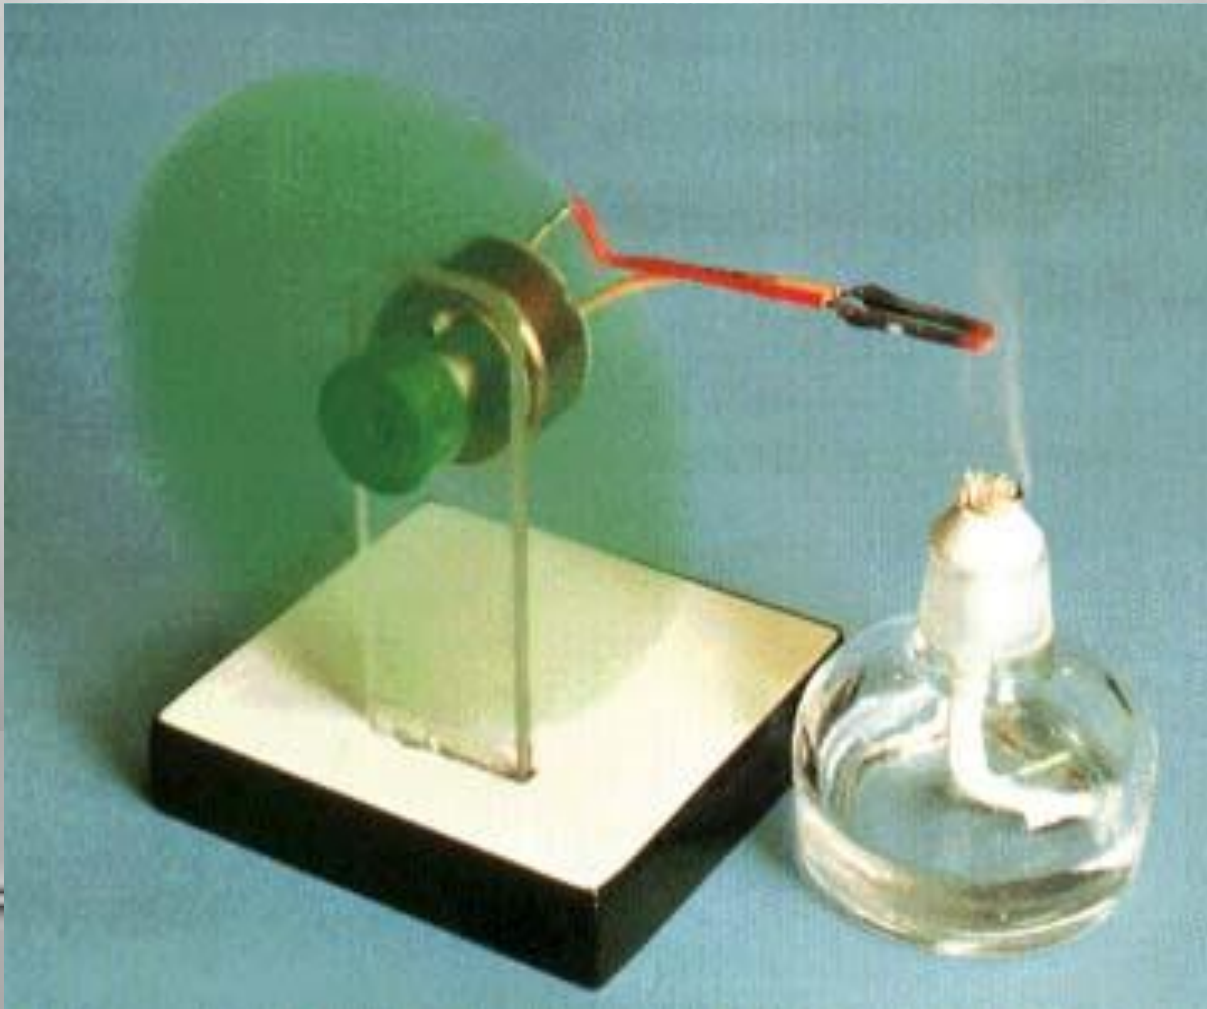

Photovoltaic Converters

<http://goo.gl/K1wbZ>

*Power Generator Term

Thermionic Converters

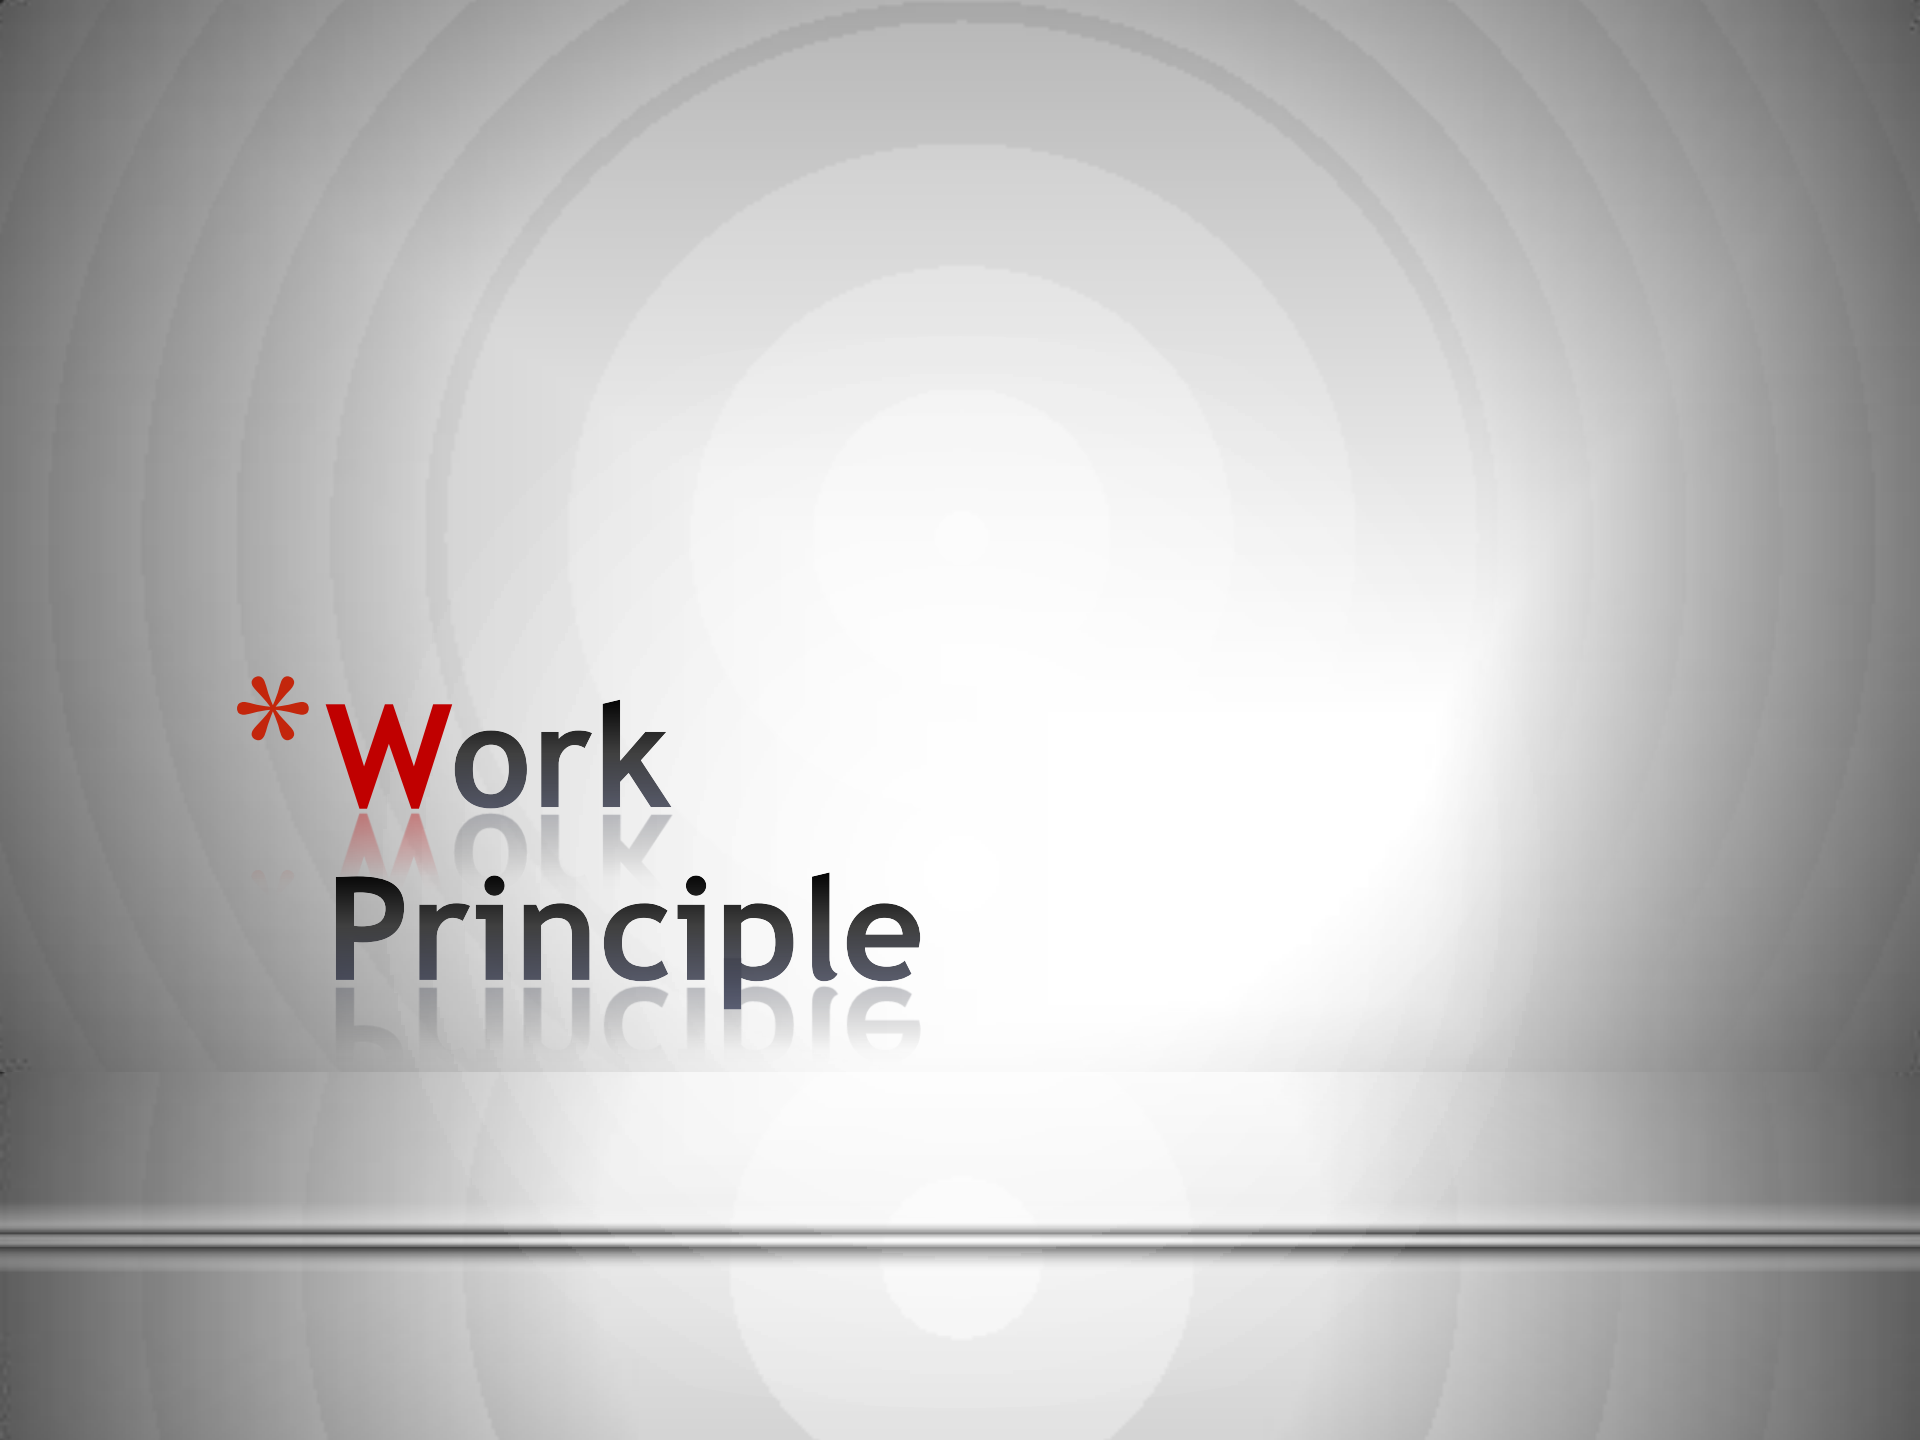

<http://goo.gl/ix0tb>

*Power Generator Term

Solar Batteries

<http://goo.gl/UZzQ2>

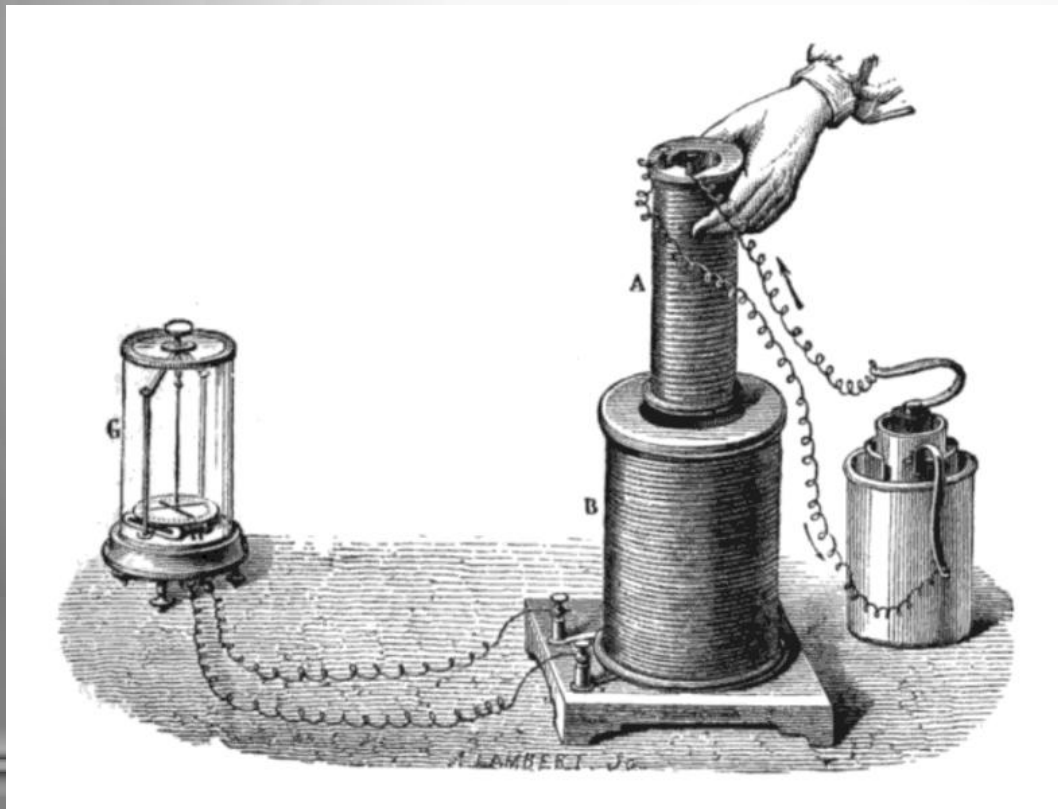

***Work**
Principle

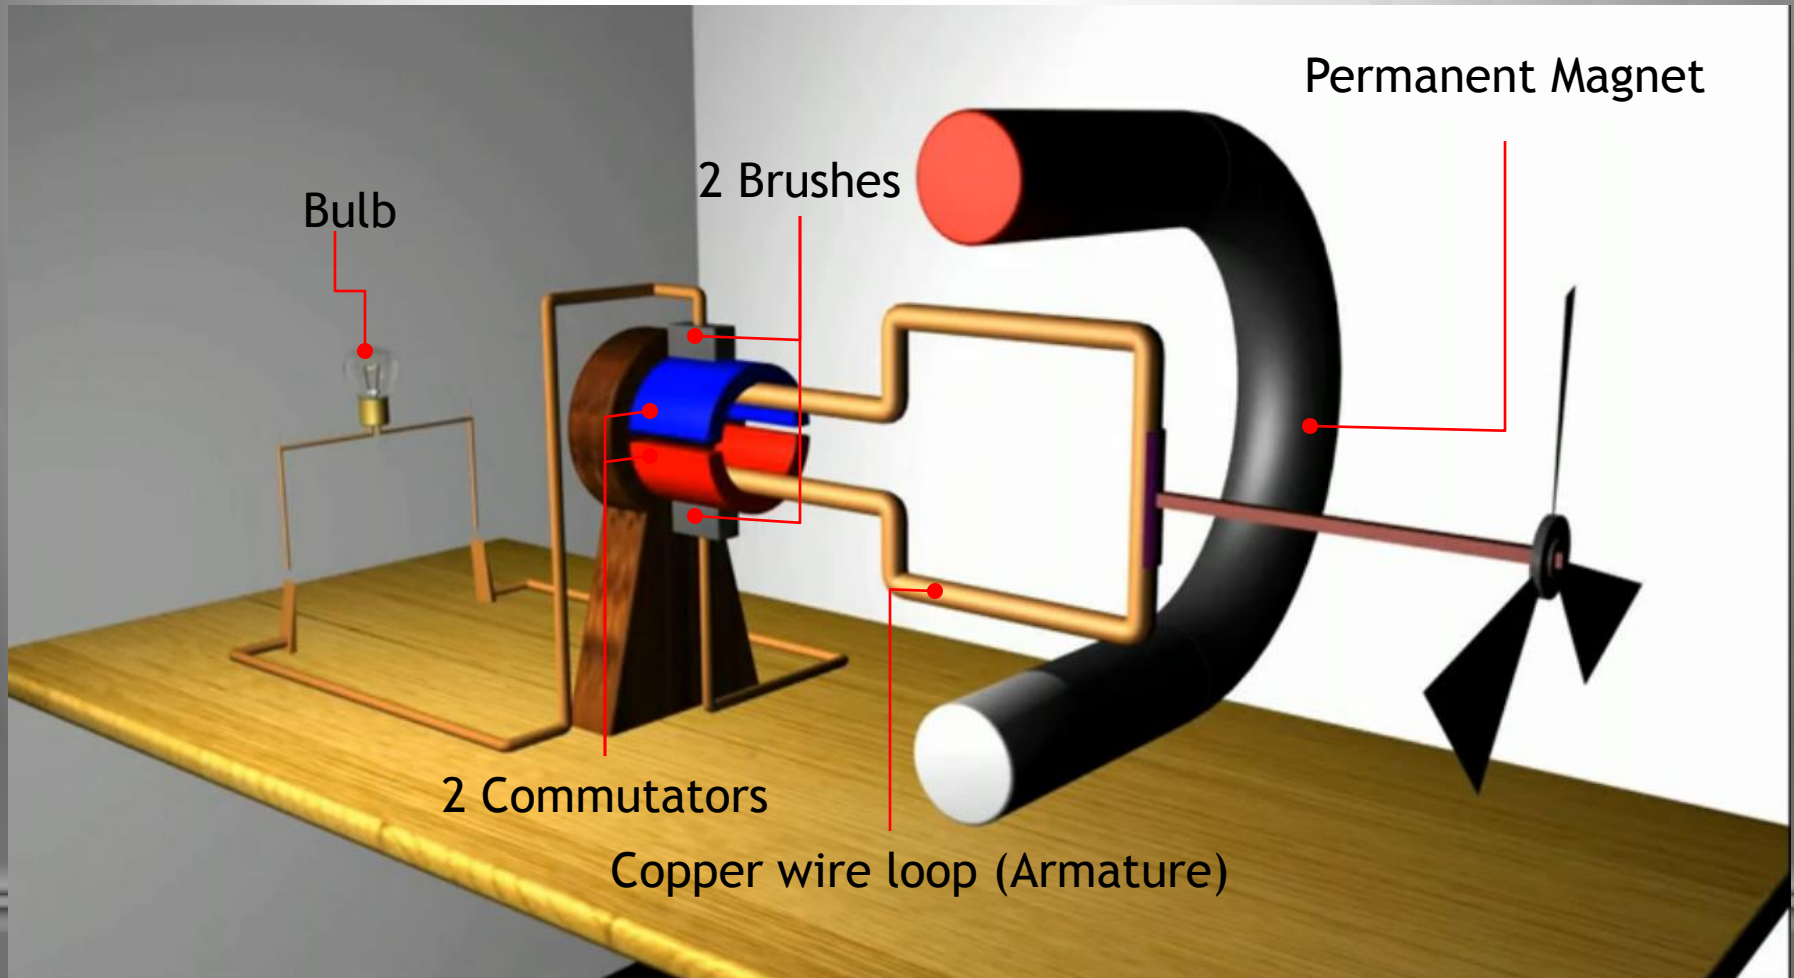

* **Michael Faraday 1791-1867**

* Discovered Electromagnetic Induction in 1831.

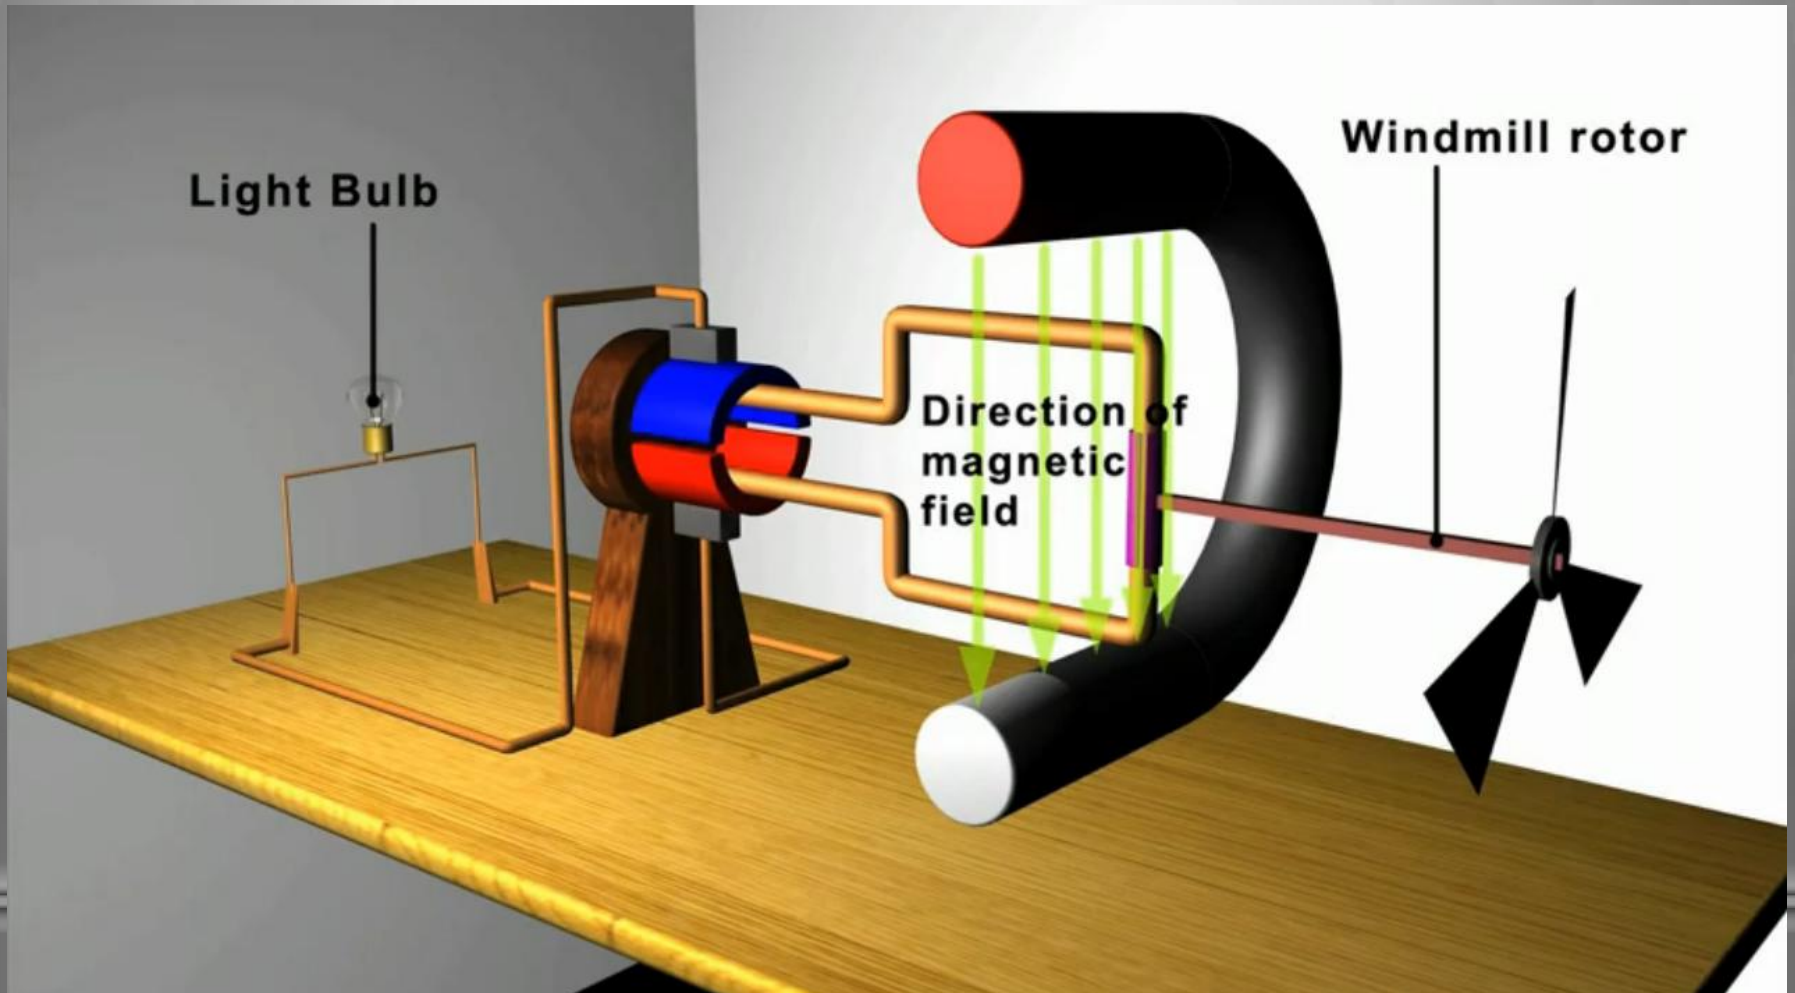

* Did many experiments to demonstrate induction.

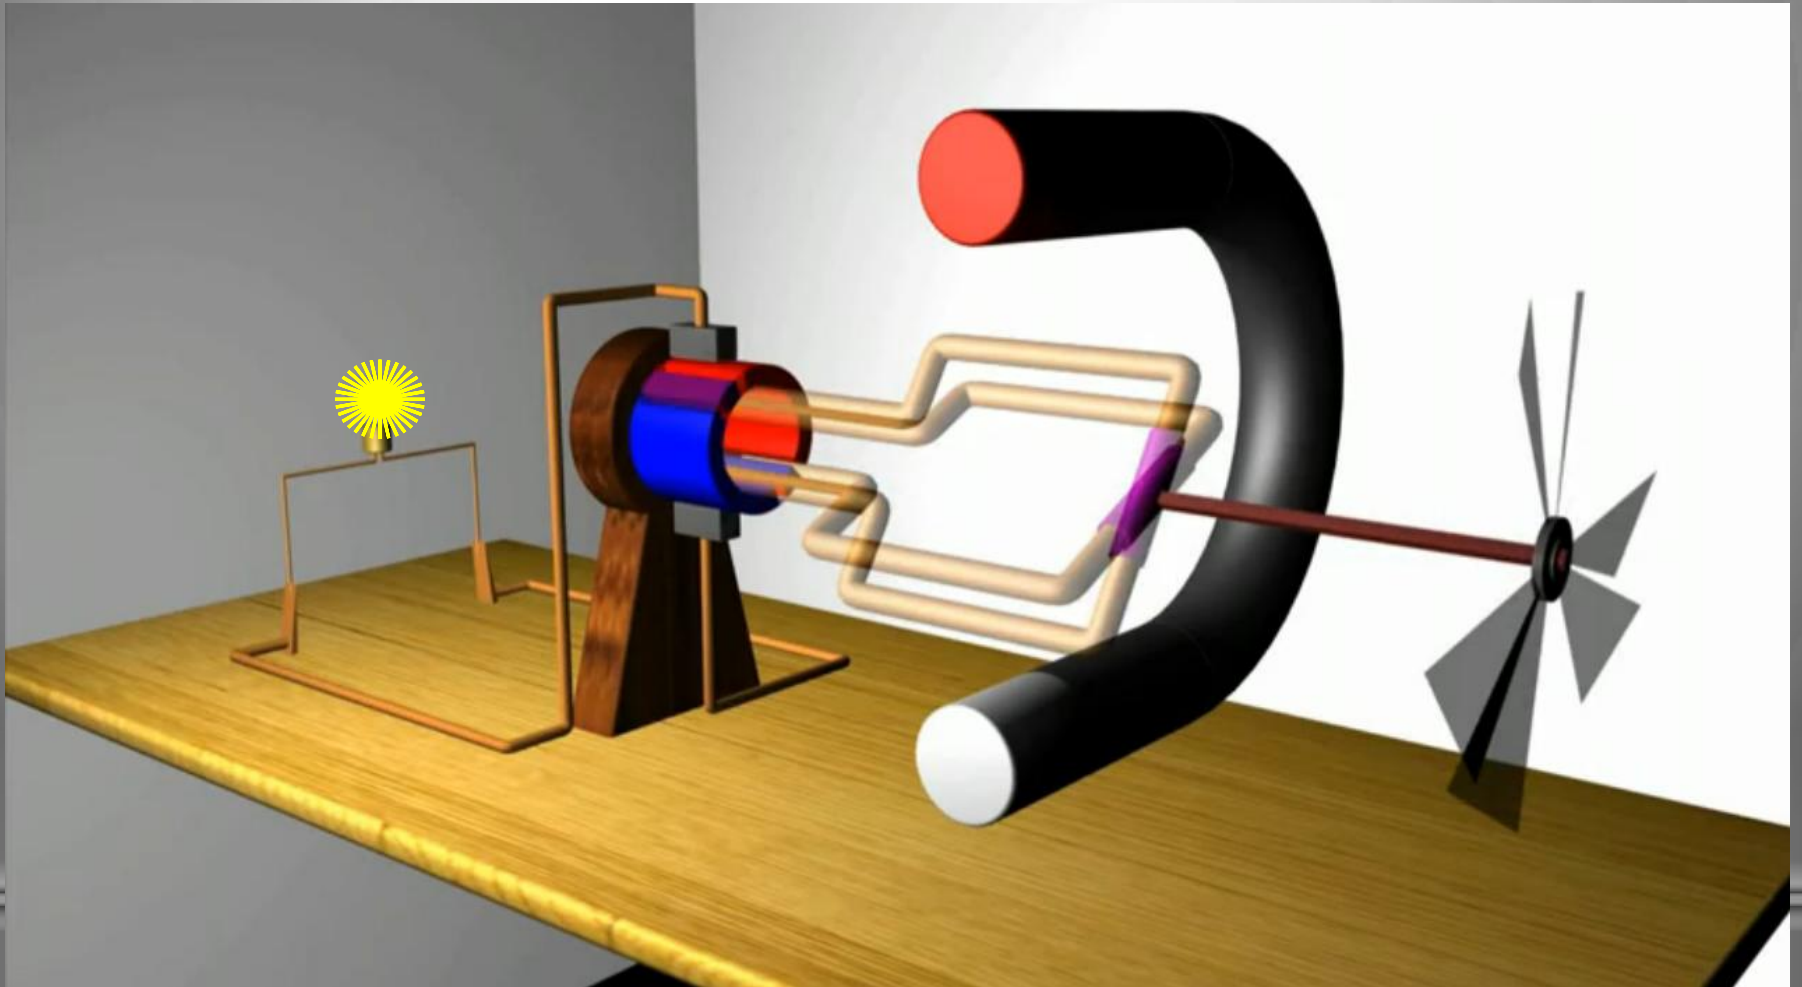

*Power Generator, Work Principle

*Power Generator, Work Principle

*Power Generator, Work Principle

<http://goo.gl/K8gEj>

* **Manufacturing**
a Power Generator

*Power Generator, Manufacturing.

*http://www.metacafe.com/watch/912594/simple_electric_generator/

*Build a simple power (Electric) generator.

* **P**ower Generator, Manufacturing.

* CNE International LTd

* Chinese manufacturer.

CNE manufacturing facility (<http://goo.gl/EjciV>)

* **M**anufacturing process

* Production of wound stators.

Unwounds corepack

* **M**anufacturing process

* Production of wound stators.

High voltage coils for 2 pole generator

* **M**anufacturing process

* Production of wound stators.

Insertion and connection of the coils

* **M**anufacturing process

* Production of wound stators.

Wound corepack

* **M**anufacturing process

* Production of wound stators.

Completed wound stator

* **M**anufacturing process

* Production of Rotor fabrication.

* **M**anufacturing process

* Production of Rotor fabrication.

* **M**anufacturing process

* Production of Rotor fabrication.

* **M**anufacturing process

* Assembly and painting

* **M**anufacturing process

* Assembly and painting

* **M**anufacturing process

* Assembly and painting

* **M**anufacturing process

* Assembly and painting

* **M**anufacturing process

* Other shapes.
