ICS 324-02 (072): Database Systems

Assignment 1 (Group Assignment)

Assigned on Feb. 27 - Due March 8, 2008

For this assignment, the members of each group are required to do the following tasks:

1) Meet and discuss the assignment and assign tasks to the members.

2) Meet again and discuss and document their findings.

3) **The group leader should submit the report through WebCT before 10:00 AM on the due date. The report should include the assignment of each member in the group.**

This assignment is simply writing a short paper about one of the topics related to the course, i.e. database Systems. The paper should be **3-4** pages excluding the cover page with a reasonable font size and paragraph spacing. The report will contain the following:

- Introduction: about the topic..

- **Body:** consists of two or more sections about the topic.

- **Conclusion**: which summarizes your findings about the topic.

- **References** (Both printed and on-line using what you learned on the library presentation). You should use **at least one book** different from our textbook, in addition to **at least two articles from the library databases**).

Group #	Members	Topic
1	Abdul-Rahman Mumnakani, Hasan Al-Adeel and Abdullah Al-Ageel	**Hierarchical Databases**
2	Rashed Labkhan, Sufyan Al-Maladi and Omar Al-Shammari	**Network Databases**
3	Khaled Al-Saadi, Abdullah Al-Qasas and Nadeem Tabbaa	**Client-Server Databases**
4	Hazem Al-Gerafi, Muhammad Ajaimi, Waleed Al-Bahrawi and Murtada Al-Hasan,	**Distributed Databases**

Grading Criteria:

Content: 4	Format: 2	References: 2	Peer evaluation: 2	Total: 10

Good Luck.

Dr. Talal Maghrabi
