

**Fundamentals of Programming Languages**

**Homework Assignment # 3  
Due April 21, 2001**

Problems 14, 16, and 21 from chapter 6: (page 284-286)

Problems 10(d) and 12(d) from chapter 7: (pages 325-326)

**Important notes:**

- 1- Your homework must be typewritten on a PC word processing software.
- 2- It should include the following:
  - course title and number, your name, and ID number in a separate cover page.
  - the statement of each problem, then your solution.
- 3- Late homework assignments will not be accepted.
