

**April 21, 2001**

**ICS 313-02 (002)**

**Dr. Mamdouh Najjar**

**Fundamentals of Programming Languages**

**Homework Assignment # 4  
Due May 7, 2001**

Problems 9, 10, 11, and 12 from chapter 8: (page 375-376)

**Important notes:**

- 1- Your homework must be typewritten on a PC word processing software.
- 2- It should include the following:
  - course title and number, your name, and ID number in a separate cover page.
  - the statement of each problem, then your solution.
- 3- Late homework assignments will not be accepted.
