

# Queueing for fun

- ▶ Queue! Queue! Go away!  
Or I must return another day.
- ▶ Here's an imitation of a queueing theorist sneezing.  
Ah-AAh-AAAHH-AAAAHHH-QUEUE !!!
- ▶ Q: Describe a closed Jackson queueing network.  
A: Michael, Tito, Janet, LaToya, Jermaine, and Andrew enter an empty Department of Motor Vehicles office to get renewed driving licenses. They are sent from counter to counter...
- ▶ When I got married, I started getting mail addressed to M/M Andrew Ross. Did my wife tell them I'm becoming memoryless? (AR is, alas, a queueing theorist of course)
- ▶ "Life is a queue. You come in, hang around for a bit, get some service, then depart." - Another queueing theorist.
