

POST-DOC FELLOW POSITION AVAILABLE

A post-doctoral fellow position in the area of computational mechanics is available in Mechanical Engineering department at King Fahd University of Petroleum & Minerals (KFUPM).

Please contact Prof. A.F.M. Arif (afmarif@kfupm.edu.sa) if you are interested and have track records in computational mechanics, in particular:

- multiscale modeling
- nano-mechanics
- mechanics of composite materials
- fracture and damage mechanics
- coupled multi-physics problems
