King Fahd University of Petroleum and Minerals

Presenter	**Mr. Muazu R. AbuJiya** Dept of Mathematics & Statistics, KFUPM
Title	**Technology and Statistics Education**
Topic & (Level)	Statistics Education (**Technology, Teaching & Learning Research, Applied**)
Audience	All KFUPM community are cordially Invited
Date	Tuesday, Apr 24, 2007
Time	1:00 PM
Location	Building 5, Smart Classroom # 203

Abstract

Today, the integration of modern computing technologies in statistical courses brings about a cascade of changes in instruction, students' ways of learning, curriculum materials, and classroom practice. In this talk, we discuss new views of statistics and statistics education as well as the role and impact of technological tools on teaching and learning statistics.

Tea and Coffee will be served
