New tablet! 😊😊

Comments

Thank you for the submission; those who do not get replies from me should kindly reconfirm with me that I actually received their submission.

Comments

A- read ahead, B- attend punctually, C- study afterward, D- solve homework, E- submit lessons

Comments

New homework problem to assess how much we can skip the curricula. 😊

South hemisphere on north hemisphere.. Radius R , Uniform Charge Q ...

Comments

A questionnaire about Saturday evening classes.

What will we study today?

Continue with Jackson's 1.4-1.8

Green's Theorem!!

A few comments

What's next?

What I expect of my students

High level of excitement to learn

Effort exerted in reading, thinking, solving, discussing and researching

Punctuality (to class and with submissions)

Interaction/ Engagement in class

Study from the textbooks (at least)

Summarize lessons learnt

Transparency and constructive criticism

A- read ahead, B- attend punctually, C- study afterward, D- solve homework, E- submit lessons

A few comments

The 'extra' qualities/ skills you should acquire

English language, pedagogic discipline; camaraderie with colleagues, critical thinking, rational discussion, instruction, mathematical insight, computer programming
